

DESK CALENDAR

2019 Calendar Template

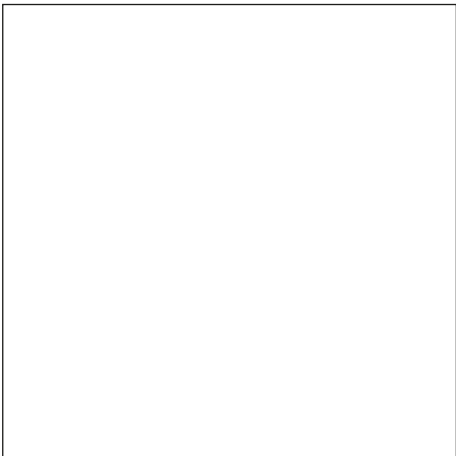

This template has been designed to work with the Desk Calendar Project Sheet. On this page you will find the calendar front cover. This is followed by 4 sheets with 3 month pages on each and finally the calendar stand.

The cover and pages need to be printed on heavy weight paper and then cut out. The stand needs to be cut from light weight card so print a paper template which you can then use to cut a card stand. The dotted lines mark where you will need to score.
